As mentioned in an earlier newsletter, please remember to flush your sewer line once a month to keep the backflow protectors working properly. To do this, fill your bathtub then pull the plug and let the volume of water run thru your line. This will clear any buildup there may be along the way.

We may be at the end of the mowing season, but a note to those who dispose of their grass clippings behind the Post Office-THIS IS NOT A GRASS CLIPPINGS AREA!! PLEASE DO NOT DUMP YOUR CLIPPINGS OR BRANCHES, OR ANYTHING ELSE, BEHIND THE POST OFFICE!!
The landfill will be open the first Saturday of September and October for you to dispose of your clippings. This area is for all types of yard waste-clippings, branches, weeds, leaves, etc. and concrete. These are the ONLY items accepted at the landfill.

If you have any questions, please call Town Hall at 307-834-2466.
