## LaGrange Summer Reading – 2017

Dear Readers, Parents and Guardians,

It is time to start thinking about the wonderful summer activities that are available for children in the LaGrange/Bear Creek area, and we hope that you have put the **LaGrange Summer Reading Program** at the top of your list! We are planning for wonderful stories and crafts, all about the woodland and prairie critters we have in our neck of the woods.

Our schedule, as usual, is 8 sessions in June for each of two groups:

**The Squirrels** – ages 3 through Kindergarten – 9:00 to 10:15.

(Readers age 3 & 4 must be able to use the restroom and have an adult in the building.)

**The Bears** – 1<sup>st</sup> Grade through 6<sup>th</sup> Grade – 10:30 to 12:00.

(If you feel that your younger reader would be happier with the Squirrel Group, just let us know.)

We hope that we can arrange for our Family Night, June 30<sup>th</sup>, to include a picnic and a visit to the newly remodeled Wildcat Hills Nature Center in Nebraska!
