LaGrange-Bear Creek Unity Association is offering grant money for community projects!

The LaGrange Community Endowment fund was established in 2009, started with donations to the Mrs. Archie (Kathy) Johnson memorial fund. This "designated" LaGrange Community Endowment Fund is invested as part of the Wyoming Community Foundation's portfolio with the earnings from this fund being disbursed annually to the

LaGrange-Bear Creek Unity Association to address the priorities established by the Unity Board of Directors. Because it is an endowed fund, only the earnings are distributed to Unity, enabling the Fund to exist in perpetuity. One of the priorities set forth by the LaGrange-Bear Creek Unity Association's Board of Directors is to distribute a portion of the earnings to nonprofit and service organizations within the LaGrange-Bear Creek community in the form of grants for projects that will enhance the quality of life in and for this community

If your nonprofit or service organization wishes to apply for this LaGrange community grant, read more about it on the Town of LaGrange Website on the Library page, or pick up a packet at Unity Library or at the LaGrange Town Hall. **The grant application deadline is November 1, 2018. The decision will be announced after January 21, 2019.**

Grant awards will be made based on the availability of endowment distributions from
Wyoming Community Foundation.

All decisions will be at the sole discretion of the Unity Board of Directors, and not necessarily on an annual basis.
