

Water Permit

Application for Water Service Tap and/or Meter

Location (legal description)

Lot # _____ Block # _____ Addition _____

Street Address _____

Property Owner _____

Billing Address: Name _____

Address, City, State, Zip _____

Phone _____

___ Service Deposit (\$50.00) Non-Refundable **Due at time of application**

Please check desired uses to which the water is to be applied:

___ Tap Fee (\$1850) Residential use

___ Tap Fee (\$1850) Commercial use

Explain additional uses: _____

Please check desired payment method:

___ One time pay at the time of application approval

___ Pay in 12 monthly installments

Conditions: Applicant is responsible for obtaining a qualified, town approved, plumber to make the water tap connection; pay for all costs associated with said tap and all costs associated with laying service from the main to the applicant's connection point, including any required meter pits. The Town will be responsible for providing a one-inch (1") meter and remote reading device for applicant's installation. The property owner will be responsible for all other parts associated with the tap connection. A curb stop is required by the town to be placed between the town provided meter and the structure being connected to at the expense of the property owner. Town code, Section Seven, Chapter One must be strictly followed for all installations and use. Property owner hereby agrees that upon connection to the system, he/she will pay the usual and customary fee commencing at the time that said connection becomes operational.

Property owner assumes all responsibility for utility billing and tap fees. If responsibility is assigned to a renter, all unpaid bills at time of departure will be re-assigned to the property owner. If connection is abandoned, regular monthly fees will be assessed. The owner/s agree to comply with the ordinances of the Town of LaGrange pertaining to the said system and its operation, and agree that this document shall constitute a covenant running with the property.
